

Our new building (opening Fall 2022)

UConn Polymer Program Virtual Open House

Join our virtual information sessions for prospective applicants. Meet faculty and students to learn about our program, the university, and receive answers to your questions. Topics of discussion will include:

- Interdisciplinary nature of our program and facilities
- Highlights of current research areas
- Student experience in our program and life around Storrs, CT
- Answers to questions that guests may have

Friday October 28, 9:00 am EDT: [Link](#)

Wednesday November 2, 7:00 pm EDT: [Link](#)

UConn Polymer Program Site: polymer.ims.uconn.edu

Please RSVP by filling out our [survey](#) or by using the QR code:
Registered participants will be emailed a link to the open house
